Main Particulars

SORRY NOW LET

3 Bedroom mid terraced house with garage. Extensively refurbished.

Situated in Clover Road Market Deeping which is a very pleasant street and only a couple of minutes walk into the town centre.

The house is well set back from the road with a long front garden, laid to lawn.

Front door give access to a porch with storage cupboard and another door leading to a good sized lounge with double glazed window to front. New high quality vinyl tile floor is being installed and the room will be redecorated.

The kitchen/diner is a good size and is being completely refurbished with brand new kitchen units, worktops and appliances. A glass sliding door gives access to a good sized conservatory which is having a new roof fitted and being redecorated. The conservatory has a central heating radiator so can be used all year round and patio doors give access to the rear garden which is slabbed for low maintenance. A rear gate gives access to the garage.

Upstairs there are 2 double and 1 single bedroom. One of the doubles has a built in wardrobe and both doubles are being redecorated. All the carpets upstairs are new.

The bathroom is being partly refurbished and consists of a 3 piece white suite with electric shower over the bath. Airing cupboard containing the boiler is located within the bathroom.
